

## BIBLE CIRCUIT 21/22

The New Testament is a set of 27 books of the Holy Bible telling the story of Jesus Christ, the spread of his teachings, the beginning of Christianity, and the prophecies of eternity. Its authors wrote in different times, places, and in a short period, to portray the teachings of the Messiah in pages that exude love and faith. Its message revolutionized the beliefs and customs of the time, transforming values and social standards ingrained in the Roman and Jewish people.
